Sir,

ALLOWANCE - Travelling - transfer - Sanitary Inspector - Sri M. Sheena Shetty - sanction solicited.

Sri M. Sheena Shetty, Sanitary Inspector, was transferred from Mangalore to Udipi Municipality. He jointed duty in this municipality on the forenoon of 12-5-1950. He travelled on 11-5-1950 by the longer route, viz. Mangalore Karkal-Udipi line (57 miles) with his wife, children and personal effects as the shorter route of 37 miles by coast line intercepted by four rivers would cause delay, inconvenience and unnecessary additional expenditure.

2. On 28-6-1950 he applied for permission and orders to draw his transfer travelling allowance by longer route of 57 miles against the shorter one of 37 miles for the reasons submitted above. The District Inspector of Local Fund Accounts, S. Kanara was addressed by the Municipal Health Officer to intimate to him if the G.O. permitting Government employees of this District to travel by loger route and to draw travelling allowance applies to Municipal employees also. But the District Inspector pretended not to know the G.O. and called for a copy of it. In the meanwhile the Commissioner of the Mangalore Municipality who dibursed the advance T. A. to the Sanitary Inspector was urging for repayment of the same. The Municipal Health Officer therefore asked the Sanitary Inspector to draw his transfer T.A. for shorter route of 37 miles.

3. On 3-12-51, the Sanitary Inspector submitted his T. A. bill for Rs.48-9-0 for shorter route which was sanctioned by the Municipal council in its resolution No.27 dated 15-12-51. But the amount was not drawn as the claim was considered to be an arrear claim. The sanction of the Regional Inspector of Municipal councils & Local Boards, Coimbatore was applied for as he was the authority to sanction arrear claims. In his letter L.Dis.No.7913/52 dated 31-10-52 the Regional Inspector returned the T.A.bill on the ground that the claim was time barred.

4. The Commissioner of the Mangalore Municipality is flooding this office with reminders to repay the advance T.A. disbursed to the Sanitary Inspector from Mangalore municipal funds as the amount in question seems to have been kept under audit objection. I request in the circumstances that the Government may be pleased to accord their sanction (1) permitting the Sanitary Inspector as a special case under Rule 20 of the M.T.A. Rules to draw mileage allowance by the longer route from Mangalore to Udipi by which he tra-velled with his family and (2) for the drawal and disbursement of the arrear and time barred claim, in view

of the fact that the said Sanitary Inspector was not responsible to allow the claim to become time-barred. In this connection I may point out that the Government in G.O.Ms. No.835,L.A., dated 21-4-1949and Memorandum No.22809/52-3A, L.A., dated 26-8-52 had accorded their sanction for the drawal of T.A. by longer route by Sri V. Balagangadharan and Sri K. Gopala Menon, Commissioners posted to this municipality. I solicit early orders.

The attention of the Commr. Udipi Mty, is invited to Ruling 8 under Rule 20 of the M.T.A. Rules which states that as the recognized shortest route from Mangalore to Udipi along the coast is intercepted by four ferries and takes much longer time to cover ~~by car~~ than the inland route via Karkal, drawal of mileage by whichever of the two routes is actually used, is permissible.

Note. It is seen that the Sanitary Inspector has asked for permission to draw transfer T.A. by the longer route ~~incurred~~ soon after he joined duty at Udupi. As the delay in admitting the claim was not due to his fault, sanction may be accorded to the payment of the arrear claim.
